RE: Electronic Health Record Incentive Program

Dear Provider/Office Manager,

University Physicians Health Plans (UPHP) is currently looking to identify contracted provider groups who are implementing an electronic health records (EHR) system. UPHP would also like to identify contracted provider groups who are planning to participate in the incentive programs offered to providers who implement an EHR system and meeting meaningful use criteria.

For more information regarding the EHR incentive programs, please visit the University Family Care (UFC) or Maricopa Health Plan (MHP) websites ([www.ufcaz.com](http://www.ufcaz.com), [www.mhpaz.com](http://www.mhpaz.com)) or call your Provider Relations Representative.

If you currently have or are in the processing of implementing an EHR system and are planning to participate in the incentive program, please fill out the information below and **fax back to 520-874-7144**.
